### **Pentecost Theological Seminars (PTS)**

The Church has established Pentecost Theological Seminary (PTS). The Two buildings put up for the seminary were dedicated during the General Council meetings.

### **Disciplinary measures**

- Pastor Benjamin Gyamfi of Amanfrom District in Achimota Area was found to have overlooked and flouted some church policies. He has been warned and transferred from his current station. During his farewell, there shall be no testimony and appreciation week. However, one offering will be taken for him.
- Pastor George Ayisi of Acherensua District in the Goaso Area has been downgraded to overseer for flouting the church's financial policies, abusing his office as a pastor and operating without transparency especially in the procurement of items. He has been

warned and transferred from his current station. There would be no appreciation week and testimony for him during his farewell. However, one offering will be taken for him.

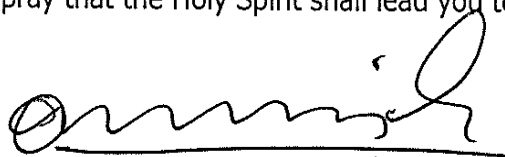

- Pastor George Obeng Antwi of Israel District in Kaneshie Area has been dismissed on grounds of infidelity, lies, failing to live above reproach and breach of ministerial ethics.
- Pastor Amos Dendiego of Nii Boiman District in Kaneshie Area has been dismissed on grounds of deception, dishonesty, insubordination and breach of ministerial ethics.
- Apostle Daniel Nii Tieko Tackie of Yendi Area had his calling as an apostle revoked as a result of failure to effectively perform all of his apostolic duties, flouting of church financial policies, lack of transparency and his poor interpersonal relationship with his ministers. He has been transferred to a district as a pastor.
- Pastor Owuahene Nti Acheampong of Dunkwa Nfuom District has resigned from the full time ministry of the Church of Pentecost as a result of getting himself entangled with so many issues, such as taking bank loans and not being able to pay, getting involved in questionable business deals and conniving with church elders to divert LDFs and other grants to open secret accounts, which was used to secure loans. Considering himself unfit, he had also resigned as an area executive committee member. In connection with this the two elders involved, Thomas Peprah and Nicholas Amponsah, have been demoted to become members.
